1. The Law of the Lord had broken my soul, I could not live up to His

right- eous goal, And so I was crushed, and in deep de- spair;

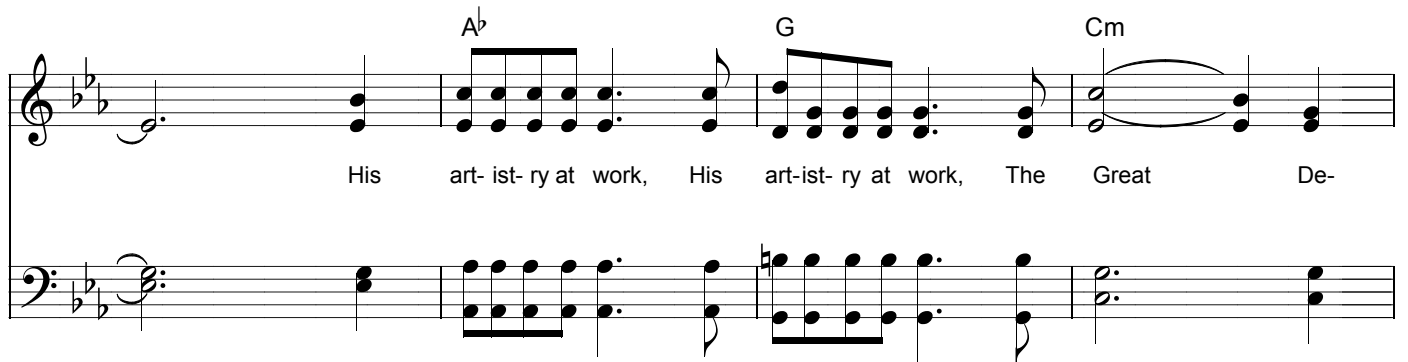

But when in God's Word, I read of His grace, I ran to Him and His

3rd verse: The friends that I had were friends not at all, they offered me things that caused me to fall, Soon they were gone, I was alone. but when in God's Word, I read of His love, I ran to Him and found a Friend from above (or life from above), and now I am His, to Him belong. His artistry at work, His artistry at work, the Great Designer. Now He's remaking me, His stamp I wear.
